

When is it appropriate to use the terms “handicapped” or “disabled?”

Is it offensive to say “confined to a wheelchair?”

The NCDJ’s style guide supplies the answers to these and other questions.

Our website also offers:

- The latest disability news from around the country
- Tip sheets with best practices on interviewing people with disabilities
- A blog about disabilities in the news
- A resource list to locate disability-related organizations, experts and advocates
- A guide to disability organizations
